

## RIPE 91 Social Media Kit

**Thank you for your support! Here's a quick guide to help you make the most of this kit:**

1. Pick the text you prefer. We've prepared a few sample posts for your social media accounts. Choose the one that fits best. Feel free to make any edits.
2. If you'd like, tag people and organisations you'd like to see at RIPE 91 to help boost your post's visibility.
3. First, use an image from [our image bank](#). Feel free to use any of the suggested images:
  - If you don't have a Canva account yet, sign up (it's free) or log in to your existing account.
  - Click **Uploads** in the left menu to upload your photo.
  - Select **Upload File** and choose a photo from your computer or phone.
  - **Replace** the text with your own details.
  - Click Share → Download.
  - Choose the format (e.g., PNG or PDF) and click Download.
  - Now, attach the image to your post and share it on social media!

## About RIPE 91

A RIPE Meeting takes place over five days, bringing together Internet service providers, network operators and other interested parties from around the world to:

- Participate in discussions about the policies and procedures used by the RIPE NCC to allocate Internet number resources
- Participate in the RIPE Working Group sessions to discuss current technical and policy issues
- Share experiences, latest developments and best common practices
- Develop their network of peers in the Internet community
- Network during breaks and socials

Each meeting consists of plenary presentations, working group sessions and Birds of a Feather discussions (BoFs).

RIPE Meetings are open to everyone. They bring together people from different backgrounds, cultures, beliefs and genders. The RIPE community is unique and prides itself on providing [a safe, supportive and respectful environment](#).

**Dates:** 20-24 October 2025

**Venue:** JW Marriott Grand Hotel, Bucharest, Romania

RIPE 91 is organised with the support of the Interlan, our local host.

---

## About RIPE NCC

RIPE NCC is the Regional Internet Registry (RIR) for Europe, the Middle East, and Central Asia that allocates and registers Internet resources. As a not-for-profit, we act as the secretariat to the RIPE community and support the development of the Internet at large.

## Social Media Posts for Speakers

### Example Post

It's an honour to speak at #RIPE91 — one of the longest running meetings for network operators and technical experts. Follow my session on “name of talk” taking place during the “name of session”.

 Session Link: Link to the session

---

### Post 2

Looking forward to presenting at #RIPE91 in Bucharest! Look out for my talk on “Name of my talk” taking place during “name of the session”.

 XX October
